

A transfer occurs when you authorize your current IRA custodian/trustee to transfer assets from your existing account to your IRA Services Trust Company account. You may only transfer cash and acceptable assets to your IRA Services Trust Company account. Therefore, any non-acceptable assets at your existing custodian/trustee must be liquidated and delivered in cash. This form authorizes a direct transfer of cash and acceptable assets from your current custodian/trustee to IRA Services Trust Company for deposit into your IRA Services account.

DO NOT COMPLETE THIS FORM IF: You are intending to transfer a 401k, 457, 403b, governmental or other tax-exempt employer/organization retirement plan (i.e. Profit Sharing Plans, Defined Benefit Plans, etc.) Movement of assets from these types of plans cannot be processed as a *TRANSFER*. You **MUST** contact your Plan Administrator to initiate a *ROLLOVER* of these types of plans.

Once the form is completed, you must mail the original form with your original ink signature to IRA Services Trust Company:

Regular mail	Overnight mail
IRA Services Trust Company	IRA Services Trust Company
PO Box 7080	1160 Industrial Road, Unit 1
San Carlos, CA 94070-7080	San Carlos, CA 94070-4128

You must also submit your most recent account statement* from the financial institution from which you are transferring an account.

*Account statement must show: financial institution name, recent date (within 6 months), account registration (full name), account type, account number, cash value, and if transferring assets in-kind: asset description(s) and value(s).

Note: Online print-outs of your account summary may not have all the information we need to verify; please obtain the most recent financial statement. Please contact your Custodian if you are not sure how to obtain your financial statement. If your Custodian does not provide financial statements, please provide an account verification letter signed by your Custodian on their letterhead. The letter must be recently dated and must include: your name, account number, account type, cash amount to be transferred and/or list of asset(s) (and their values) to be transferred.

If you need assistance with completing this form or have any questions regarding these instructions, please call us at 1-800-248-8447.

1. PERSONAL INFORMATION

Please fill in your personal information. Please include your social security number; if there is no social security number provided, we will not establish your account. Please also provide a valid email address, as we will be contacting you by email regarding your account.

2. ACCOUNT TO TRANSFER

This section is for information regarding the account from which you are transferring.

Account Type:	Select the type of IRA account you have at the financial institution currently holding the IRA you wish to transfer. Please note we cannot transfer 401k, 457, 403b and other such qualified retirement plans (profit sharing plans, defined benefit plans, etc). Your request will be rejected if you indicate this type of plan under "Other". You must contact your Plan Administrator to initiate a Rollover of these types of plans. Check the box on the form if the account being transferred is an Inherited IRA
Account No.:	Your account number at the financial institution currently holding the IRA you wish to transfer. Only one account number allowed for each form. If you are transferring multiple accounts, please complete a separate form for each account, and submit the most recent statement for each account.
Custodian Name:	The name of the financial institution currently holding the IRA you wish to transfer. Only one Custodian per form.
Custodian Address:	The address of the financial institution named above where IRA Services is to forward your transfer request to. Please call your financial institution for this information if you are not sure of the address.
Contact Name, Phone and Fax:	The name of your representative (if you have one) at the above named financial institution, the phone number (required) and the fax number (optional) of the financial institution's Transfers Department.

Expedited Processing and Overnight Delivery*: You may request expedited processing of your Transfer Authorization at an additional cost. Regular processing time to forward your request to your financial institution is 2-3 business days. You may also request that your form be sent by Overnight Delivery via FedEx. Your IRA Services account will be charged our overnight delivery fee plus the shipping cost. If you provide a FedEx/UPS account number, we will charge the shipping cost to that account number, and will only charge our overnight delivery fee to your IRA Services account. Please see our *FEE SCHEDULE & FINANCIAL DISCLOSURE* for all related additional costs.

**Please ensure you provide the Overnight Delivery address of your financial institution under "Custodian Address" or processing delays may occur. Default delivery method is USPS Priority Mail (2-3 business days) if Overnight Delivery is not chosen.*

Note: Expedited processing is applicable only to IRA Services Trust's end of the transfer process; you are responsible for contacting your Custodian if you require expedited processing on their end as well.

3. CASH / ASSETS TO TRANSFER

If you are a first-time investor with IRA Services, it is recommended that you transfer at least \$600 more than your intended investment amount so there are sufficient funds to cover the amount of your investment, any fees due, the investment transaction fees and the \$500 minimum balance requirement. Your investment request will not go out if you have insufficient funds in your account to cover fees and our minimum balance requirement.

To transfer cash:

You **MUST** provide your financial institution with **liquidation instructions** prior to submitting this request to IRA Services Trust Company or delays will occur. All assets must be in a cash position ready to transfer. If you wish to transfer cash, select one of the following options:

- Transfer ALL available cash – Choose this option to transfer all available cash from your account. Indicate whether the cash transfer is a "full" or "partial" transfer. Also indicate if the account should or should not be closed after your financial institution completes the transfer.

- Transfer EXACTLY – Choose this option to transfer an exact amount. Remember to transfer enough for our fees and our minimum cash balance.

To transfer assets in-kind:

IMPORTANT: Do not select either of the following two options if you only intend to transfer cash

- Transfer ALL assets in-kind (including cash)
- Transfer ONLY the following assets in-kind

If you choose either of these options, you understand that an “in-kind” transfer is one in which we will transfer your asset(s) “as-is” without the need for you to liquidate and re-purchase the asset(s). A re-registration fee will apply per asset transferred in-kind. Please see our *FEE SCHEDULE & FINANCIAL DISCLOSURE*. Please provide on a separate page the most current contact information of your asset sponsor(s) (company name, address, contact name, phone number, fax number & email address), so we may contact them on your behalf for the re-registration of your asset(s).

Transferring real estate and assets secured by real estate:

If you are transferring these assets you may be required to draft a deed transferring or assigning title of the property to “IRA Services Trust Company CFBO <Client Name>”. Please contact your financial institution if they will require you to provide them with such a deed. If so, please have a deed prepared to send with your Transfer Authorization form. You may contact an attorney or real estate professional to assist you with drafting a deed. If your financial institution does not require you to send a prepared deed with your Transfer Authorization, IRA Services will be contacting you to have the deed prepared at a later date.

Please note that the deed will have to be signed by an authorized signer at the financial institution currently holding title to the property in order to release it to IRA Services Trust Company. The deed will have to be recorded at the appropriate county, and you must provide IRA Services with the recorded deed as evidence of the transfer of title.

4. DELIVERY INSTRUCTIONS FOR CUSTODIAN (If you do not choose an option, your financial institution will choose for you.)

Mail:	Select this option if you would like your financial institution to send IRA Services Trust Company a check* and/or in-kind transfer documents by mail.
Wire:	Select this option if you would like your financial institution to wire to IRA Services your funds. Please be advised that we charge an incoming wire fee per wire. Please see our <i>FEE SCHEDULE & FINANCIAL DISCLOSURE</i> . We do not accept cash transfers by ACH/ Direct Deposit.
DTC:	Select this option if you would like your publicly-traded securities (stocks, bonds, acceptable mutual funds, etc) to be transferred electronically DTC. We do not accept cash transfers by DTC.

*IRA Services Trust Company has a check hold policy. Checks received from your financial institution will be posted to your account one business day after it is received, however the funds will be held for a maximum of 3 business days prior to becoming available. Please note that this hold period is subject to change without notice. If you are having funds wired, this policy does not apply; your funds will be available the day they post to your account.
